Dear Sir,

In reply to your D O No L 2440, just received, I beg to inform you that on receipt of intimation from the Deputy Commissioner of Shimoga to the effect that the Committee meeting had been arranged to be convened on the 20th instant, I immediately consulted Mr Bhore, who informed me that it was not convenient for him to be at Shimoga on that date as he had already fixed his programme As there are several points which will have to be decided only after a joint inspection and discussion with Mr Bhore and the local members, there is hardly any use in my going without Mr Bhore If instructions are given to ~~that~~ that officer to visit Shimoga on the 20th (or such other date as may be fixed by Government) I am quite prepared to go at any moment

Yours sincerely,

B Nagappa Esq ,Bar-at-Law,

OFFICE OF THE DEPUTY COMMISSIONER,
SHIMOGA DISTRICT

Camp Jog,
Shimoga 27th. September 1924.

30-9-24

Dear Sir,

With reference to your D.O.letter No: 2-27 dated the 25th September 1924 forwarding a copy of petition from some of the residents of the Shimoga Town suggesting certain names for inclusion in the Committee and asking my opinion whether there is any necessity for the same I beg to inform you that I do not find any such necessity for doing so The Committee as it is consists of experts and the chosen representatives of the elected Municipal Council. The addition of more members will make the committee unwieldy and also necessitate the appointment of representatives of various other classes who have equally suffered during the flood. The best solution appears to me that the Committee should hear the representations from all

persons

persons who desire to lay their wants before the Committee. I may say that the Dewan was also pleased to advise some of these people to adopt this course. The Committee will take into consideration all the representations before coming to definite conclusion.

Yours sincerely,

B. Nagappa, Esq., Bar-at-law.,
Secretary to Government,
